A SOLUTION AT LAST.

In the Indian there are boundless postrollihopeless, let him note what a Washington or a respondent says about Red Cloud. That noble soon good work sorely disappointed because he had ebtained nothing but mency. Men may be believed and believed to be the believ ral and open-handed in their gifts, but a war claim. He says that years ago Graces as who with his own hunds gives the cup Orack robbed him of one hundred horses; and order robber him of one hundred horses and be now insists that the proveniment shall pay be and influence encourages the fallen and him one hundred dollars appear for a content of the regit path, will be found at News as well justed for the kingdom as he well justed for the kingdom as he well justed for the kingdom as he well justed to the kingdom as he when scatters his thousands. The combined should be tomembered that I sel Cloud is new for the uninisters would probably to in the timiness, while Ben Holladay has had the control of the churches is a new will delicate a so the churches of the churches in a new will definitely years experience. The noble recommendation of their members to the crying need of the churches is a saw and personal declination of their members to an operational declination of their members to an operation with a declination of the most georgeous imagination of the most reciprocal manufacture and the possible of the most georgeous imagination of the most reciprocal manufacture and the possible of the possib if is of money, or food, or alothing.
